RSSL Meets new DGT

President Victor and Secretary Kusal met the new Director General of Telecommunications Mr. Aruna Amarasekara at the TRC on 4th August 2004. The RSSL congratulated the DGT on his new appointment and was appraised of the amateur radio activities in Sri Lanka and RSSL. Many issues were discussed and the DGT said that steps would be taken to expedite matters that have been pending for many years. Also involved in the discussions were Ms. Ramani Indikadulla, Asst. Director in charge of Amateur Radio Services.

Asia Pacific Air Internet Jamboree-7th August 2004

This was the first time that this JOTA was organized and the RSSL took part in it to help scouts and girl-guides at the request of the Scouts HQ AND Girl-guides HQ. Two stations were set up at Scouts HQ 4S7SR and Girl Guides HQ 4S7RS. However, the response at 4S7SR was not too great but THE guides put up a very strong showing. The RSSL was able to help guides to communicate with Scouts at 4S7SR. This JOTA was a good rehearsal for the main JOTA in October. The RSSL wishes to thank 4S7VK, 4S7KE, 4S7AK, 4S7NI, 4S6GJ, 4S5SS, 4S5BA who helped to make the event a success. We wish to thank the Guides HQ and Scouts HQ for their interest and the many guides who traveled from Kandy, Ratnapura and Kelaniya. The opportunity was also made use of to explain Amateur Radio to the guides as arrangements were excellent at Girl Guides HQ. The RSSL is being approached to help set up club stations at Furgusson's School in Ratnapura and at Girls High School and Mahamaya College Kady. Vijaya Newspaper sponsored the event and gave publicity to the event.

JOTA – October 2004 17th-18th Weekend

The RSSL plans to operate many stations outside of Colombo, in addition to the regular stations in Colombo for this event. The Scouts Corner of the Vijaya Newspaper is sponsoring the event this time and is giving the event very wide publicity. There is tremendous interest and the RSSL is being urged to help set up stations in as many parts

of the island as possible. All arrangements will be taken care of and from our side we need our hams to help set up stations. We need to set up stations in all regional Cetres like Colombo, Galle, Matara, Ratnapura, Kandy, Kurunegala, Negambo, Anuradhapura, Polonnaruwa, Monaragala, Mahiyangana, Nuwara Eliya/Hatton and we are exploring the possibility of having a station in Jaffna. Any ham who is in a position to run a VHF, HF station will be helping these young people to enjoy the benefits of national and international communications. Those who have taken part before will vouch for the joy the event brings our youth through the JOTA and it always brings in new entrants to the hobby.

We need hams to volunteer for the event and associate members and friends can also help. Every station has to have a licensed ham of course with his/her equipment.

Nishantha 4S7NI (Tel:2517094) has been appointed by the Council as the Coordinator for the JOTA. Please get in touch with Nishantha and/or the President/Secretary RSSL about your availability and where you wish to set up the station so that Scouts and Guides will be directed to the station. The whole event is being coordinated between Scouts HQ, Girl Guides HQ, Vijaya Publications and the RSSL like never before. **We need your help.** A double page feature article on Amateur Radio will be published two weeks before the event.
