JOTA 2008: 51st Annual Jota was held on the 18th and 19th of October. It was a great success with nearly a thousand scouts and guides getting the opportunity to see amateur radio in action and also to enjoy themselves talking to other scouts and guides locally and internationally via the Echolink VHF and HF radio.. The RSSL Council of Management wishes to thank the many members who assisted in various ways to make the JOTA a possibility and a success. We are happy that there are members who go to the trouble of taking equipment and going away from the comfort of their homes to operate JOTA stations to give the youth of this country that opportunity of enjoying radio communications while learning about it. .
