Gihan Fernando

## Operating a temporary Amateur Radio station at RC CHAMPS 2015 event

Tel: +942921636  
+94777674188

"Foamy Flyers" is a "Civil Aviation authority" approved model flying club at Kadawatha, Our membership includes model flying enthusiasts from various parts of the island and some of them are HAM radio operators, It is our view that both these hobbies attract people with similar interests and both hobbies can feed off each other. Therefore we cordially invite "Radio Society of Sri Lanka" to set up a temporary HAM shack at our event venue; For the benefit of all the school children, Hobby flying enthusiasts and amateur radio enthusiasts who are going to be present at the exhibition grounds

Following is a brief description of our event.

1. The Event is to be held on 19<sup>th</sup> December 2015 at Kirimatiyagarama, st Anthonys Church Grounds
2. The event will consist of 8 Competition events and 6 Exhibition events;

"Srilanka Airlines Aviation college" has agreed to be our main sponsor for the event with "Nitro Racing Colombo" and "Hobby tech lanka" being our gold sponsors.

Furthermore, Organizations such as **University of Moratuwa** have already confirmed their participation

We have invited aeronautical societies, Aviation clubs and science sections of more than 30 leading schools around the country

At the moment we are conducting a promotional campaign using social media and traditional media to promote the event.

As a result we are expecting a crowd of approximately 1500-3000 to visit the competition grounds during the day.

**Chief Guest at the event will be, Mr. H.M.C Nimalasiri - the Director General of Civil Aviation**

We will provide RSSL with necessary infrastructure to set up the station and all other requirements of RSSL officers including refreshments throughout the day will be looked after by the organizing committee

Thanking you Yours sincerely

**Dilshan Abeywardena (4S6DLN)**

**Head of the Event organizing committee**
